

Birthday Books

The Eudora Elementary School Library would like to help students celebrate their birthday. We are offering Eudora Elementary School students the opportunity to purchase a book to be donated to the Eudora Elementary School Library leaving their legacy in the library.

Please select a teacher requested book from the birthday book list.

Return the bottom portion of this letter and a check for the cost of the book to your classroom teacher by **Friday, October 1st**. Please make all checks payable to **Eudora Elementary School**.

The Birthday Books will be purchased from the districts book distributor and stored until the student's birthday. On the student's birthday the librarian will present the book to the student and allow the student to sign their name on the commemorative birthday label which will be located on the inside front cover of the book. The label will have the student's name and age. The birthday boy/girl will have the honor to be the first person to check out the book. If the student's birthday has already passed this school year (August and September) the student will be presented with their book as soon as the books are delivered and processed. Students with summer birthdays will be presented with their books on their half birthday.

This is strictly a voluntary program. You are not obligated to participate in any way. The donation of the Birthday Books will help enhance the library collection, support the school curriculum, and increase reading in our school.
