thank, you!

We owe a debt of gratitude to the following groups for their support and vision, both during the 2007 bond election and during the upcoming project construction.

The voters

Without the incredible support of our district's voters, this exciting project would not be possible. Thank you!

Our partners

Yes For Student Success bond committee

District staff members & ENEA

Eudora Chamber of Commerce

Community Advisory Committee

Eudora PTO

City of Eudora

K-10 Association

DLR Group

Universal Construction

Eudora Board of Education

These current and past board members have played critical roles in the planning processes for district facilities and the bond—work that has made the community's vision a reality.
