# *Honoring Teacher Excellence*

The Eudora Schools Foundation is proud to lead a program to recognize the contributions of Eudora teachers. The Honoring Teacher Excellence Fund is your opportunity to make a gift to the Eudora Schools Foundation in the honor of a teacher who played a positive role in your graduate's life.

Students, parents or alumni may choose to participate in the Honoring Teacher Excellence program with a monetary donation. Donors may choose one teacher to recognize with the gift; this teacher will receive a special notice of recognition, along with the pride of knowing that he or she made a difference in someone's life.

Funds raised will be used to enhance classroom instruction and student learning. Donations to the Honoring Teacher Excellence Fund are collected by the Foundation and made available each year, through an application process, to support teachers' ideas and needs.

Use the form on the back of this flier to make a difference today. Or, for more information go online to [www.eudoraschools.org/foundation](http://www.eudoraschools.org/foundation) or contact the foundation coordinator at 785-542-4910.

*"My letter from the Foundation is still in my desk to this day. I am flattered at the thought that a student would think I made enough of an impression in his or her life to donate in my honor. Not only is it a humbling experience to be honored, it is great to see other teachers have an opportunity to earn grants because of it."*

*Heather Lawrence, EHS English teacher  
Honored by a donor in 2009*

*"The Toobaloo is a simple phone-like device that directs a student's voice directly into the ear, and this grant allowed me to purchase enough for each student in my classroom. While I planned to use them to help us work on reading skills, the students love using their Toobaloo so much that we often use them throughout the whole day for all kinds of learning activities."*
