

Staying in the loop

Getting the EES news you want!

Online

- District website (www.eudoraschools.org) Check on district information, visit the EES home page or click through classroom teacher pages.
- eFriday Folder (www.eudoraschools.org/eff) Online resource for parents and students looking to get involved in sports, activities or other community events.
- PowerSchool (ps.eudoraschools.org/public) Monitor your student's grades, assignments, attendance and other daily information.
- Facebook (www.facebook.com) "Like" the Eudora Schools Facebook page to receive updates in your news feed, including school closure announcements in cases of inclement weather.

By e-mail

- The parent e-mail address(es) you have provided will be entered into the EMS news listserv. You will receive occasional e-mail messages with information and updates about EMS. Opt-out procedures are provided, if you prefer not to receive e-mails.
- If you'd like to receive district news updates, go to www.eudoraschools.org and sign up for the News Update (in the upper left corner of the main page).
- Sign up for calendar updates and event reminders from the district's online calendar (www.eudoraschools.org/vcalendar)

By phone

At Eudora Schools, we use an automated phone calling system to share information with district families. You can expect to receive an automated call...

- when classes and/or activities are canceled for inclement weather
- if there is a crisis event or other emergency
- as reminders for different events throughout the year

To confirm which phone numbers are currently entered to receive automated calls, contact the school office. For more information about how calls are scheduled, go to the *For Parents* section of www.eudoraschools.org and click on *Parent Tools*.
