Apply to College Now

JCCC recruiters can attend school events to tell students and parents about College Now enrollment.

Contact Pete Belk at pbelk@jccc.edu to schedule a recruiter visit.

Students need to only apply to JCCC once while in high school. If students forget their JCCC username/password, they can e-mail their name and date of birth to jcccadmissions@jccc.edu to retrieve them.

Encourage students to apply and test **EARLY** to avoid the rush.

Instruct them use their personal e-mail addresses and not their school e-mail when enrolling to avoid firewall security issues.

Accuplacer Testing

- ❖ Testing will take place on campus.
- ❖ Testing will be by appointment only.
- ❖ Students MUST call to cancel if they cannot make their testing appointments. No-shows prevent other students from claiming testing spots.
- ❖ Students (not parents) need to schedule tests.

- ❖ Encourage testing early because slots fill up at the beginning of fall.
- ❖ Testing can be completed during the summer.
- ❖ Limited seats for testing will be available in the Fall.
- ❖ Study materials are available at [Accuplacer.org](https://www.accumplacer.org)
