RE: KANSAS LAW REQUIRING PROOF OF IDENTITY

Date of enrollment: _____

According to K.S.A. 72-53,106, Kansas schools are required to collect proof of identity for students at the time of enrollment. According to state statute, proof of identity means:

- (A) In the case of a child enrolling in kindergarten or first grade, a certified copy of the birth certificate of the child or, as an alternative, for a child who is in the custody of the Kansas Secretary for Children and Families, a certified copy of the court order placing the child in the custody of the Secretary and, in the case of a child enrolling in any of the grades two through 12, a certified transcript or other similar pupil records or data; or
- (B) any documentary evidence which a school board deems to be satisfactory proof of identity.

You will have 30 days to produce this document. If this document is not received by _____, we are required to notify the appropriate law enforcement agency. For the welfare of your child, we urge you to take care of this matter within the allotted time to avoid the unnecessary embarrassment and inconvenience of further action.
