

## KANSAS ASSESSMENT PROGRAM (KAP)

KAP tests and tools are designed to support educators, parents, and policymakers in evaluating student learning and meet the requirements for federal and state accountability.

### Use these scores to help with

- Identifying your student's relative strengths and areas of targeted growth.
- Determining your student's progress toward meeting state curriculum standards.
- Comparing your student's performance to other students in the school, district, and state.

When interpreting KAP results, please take into consideration how the conditions for learning, which may have been disrupted by the pandemic, may influence performance.

# EUDORA SCHOOL DISTRICT

## Kite Parent Portal Access

Kansas State Assessments

1. Access the **Kite Parent Portal** at <https://parentportal.kiteaai.org>
2. **Enter your email address** you previously registered with your child's school district in the email Address field.
