GENERAL SCHOOL INFORMATION

Welcome to Eudora Elementary School, where children kindergarten through fifth grade attend school. You will find our teachers and students to be friendly, helpful, and willing to help you get acquainted. We know your child will have an enjoyable and successful school year. If you have any questions or concerns about any part of the school program, please call our office at 542-4940 or check our website at www.eudoraschools.org.

SOCIAL MEDIA COMMUNICATIONS

School information can also be found on the [Eudora Facebook Page](#). At Eudora Schools, we are proud to embrace the power of social media as a tool to communicate and engage with our parents, students, and community. We encourage positive and productive feedback from fellow stakeholders. Negative behavior or attacks on any student or employee, by a student, employee, parent, or any other member of the public is disruptive to our district's positive learning environment and will not be tolerated.

CLASS DOJO

Every teacher will be using Class Dojo again this year. This program allows a stronger and more consistent means of communication between the classroom teacher and parents. Part of this communication will be able to share both positive behaviors as well as behaviors that need attention. In addition to this, teachers will be able to communicate with parents about any events or other things happening in their classrooms. Teachers will be working with families to get the program set up as well as make any updates as necessary.

VOLUNTEERS

Volunteers are welcomed and encouraged! We recognize the importance of the involvement between home and school. Interested persons will have an opportunity to learn more about volunteering at EES during a brief and informative workshop held each fall. School volunteers work under the school staff's direction with the principal's approval. School volunteers are bound by the policies, rules and regulations of the district, serve without financial compensation and are not covered by workers compensation. All volunteers at EES must complete a training and a yearly background check prior to volunteering.

Parents should contact their child's teacher to schedule a time to bring celebration treats to school. Parents are responsible for sending any appropriate tableware if required with the treats. Be sure to check with the teacher regarding any food allergies.

MOVIES

Teachers may occasionally show a feature length video during the school day. Videos will be directly related to the curriculum, and must adhere to the following guidelines:

- Legally obtained and privately owned videos used in the classroom for curriculum support require principal approval at least two weeks in advance of viewing.
- District owned videos obtained through the library media specialist may be used in the classroom for curriculum support in the course of face-to-face instruction.
- Principal approval must be given for any video or parts of a video rated:
 - Above G for elementary students (i.e. PG, no PG-13 permitted)
 - Above PG for middle school students (i.e. PG-13, no R permitted)
 - Above PG-13 for high school students (i.e. R)And require the following:
 - Parental notification with the opportunity to opt out.
 - Alternative activity for students whose parents have chosen to opt out.
 - Justification for curriculum enhancement.
 - Consideration of community standard (Does language, violence, or other objectionable material make this media an inadvisable choice for the classroom?)
- Any video shown for entertainment, recess, rewards, or events by teachers, the PTO, Booster Clubs, after school programs, teams, or clubs must have public performance rights purchased with the video or secured from a movie licensing agency, and be approved by the principal. This applies to both school hours and non-school hours.
- Principal request forms, and parental notification opt out forms are available.

The parents shall be notified in writing of the dollar amount of loss or damage. Routine expectations will be followed for any necessary follow-up to secure restitution from the responsible party. Restitution payments shall be made by juveniles or their parents to the business office, and accounts shall be kept. Persons of legal age shall be held responsible for their own payments. If necessary, provisions may be made for installment payments.

LOST/DAMAGED LIBRARY BOOKS

Any lost or damaged library book will be billed to the parent. The cost involved will include the cost to repair or replace the library book. These non-refundable fees are due promptly to the EES office upon receipt of the bill.

STUDENT PLACEMENT AND PARENT REQUESTS

Because we cannot grant every parent request for a particular teacher, we do not take requests when making class assignments.

BEFORE AND AFTER SCHOOL

Students are not to arrive at school before 7:30 a.m. or stay after 3:15 unless participating in a school-related activity. If plans for getting home after school should change please email or call the office. **Children without notes, emails, or calls will be expected to do what is on the current student after school plan sheet on file in the EES office.**

DOGS

To avoid any possible harm to a child, which might be caused by a dog, owners are asked to keep their dogs away from school during school hours. The school will ask the City of Eudora to remove dogs present on the school grounds. It is ok to have a dog for show and tell as long as it is on a leash, fully vaccinated, and the teacher and office have been notified prior.

LOST AND FOUND

Unclaimed items found at EES will be turned into the lost and found. Lost and Found is located on the bench on the outside wall of the library. Small items like glasses, jewelry, etc. can be found in the office. You can help by clearly labeling all items of wearing apparel that will be removed at school. Items such as overshoes, tennis shoes, notebooks, caps, and coats should be marked. **Any articles in the lost and found box for an extended period of time will be considered abandoned and will be donated to charity.**

YEARBOOK

Yearbook sales will take place for a period not less than (6) weeks. If you do not order a yearbook at this time, there will be a limited amount of extra yearbooks in the office.

CONFERENCES

At the end of the 1st quarter, conferences will be scheduled with all parents. At this time the progress reports will be discussed. If, due to an emergency, you are unable to keep your appointed conference time, a make-up conference will need to be rescheduled with your child's teacher during the following week. One formal conference per year will be held based on teacher recommendation and by invitation only. Parents or teachers, as needed, may call additional conferences.

PROGRESS REPORTS/GRADE CARDS

Progress reports and grade cards will be available online via Powerschool. A paper copy can be requested by contacting the EES

Office at the end of each quarter.

ATTENDANCE POLICY

Regular attendance is necessary for success in school. Students are expected to attend school from the scheduled starting time until dismissal every day that school is in session. It is a parental/guardian responsibility under Kansas statute (72-1113) to require the regular attendance **“of any child who has reached the age of seven and is under the age of eighteen years,”** (72-111(c)) **“Any child who is under the age of seven years, but who is enrolled in school, is subject to the compulsory attendance requirements of this section unless the child is exempted by statute”**

Your student’s attendance will be tracked and your child may be referred to the Student Attendance Team to address any attendance concerns.

- 8:05 till 9:00 AM = Tardy
- Arriving after 9:00 AM = 1/2 day absence
- Leaving before 2:00 PM = 1/2 day absence
- At school less than 2 hours during a school day = 1 full day absence

Regular school attendance is expected of all students and is a necessary factor in achieving success. Parents must be aware of student absences and reduce unnecessary loss of class time. It is the objective of the Eudora Elementary administration and staff to provide each student with a maximum opportunity to receive a superior formal education. While we are aware that all learning is not confined to the classroom, the educational opportunities are severely limited for the individual student when that student is absent from the classroom environment.

Whenever your child is absent from school, please call the office before 9:00 am on the day of the absence. If your child is not in attendance and the school has not received notification by 9:00 am, the absence will be recorded as unexcused. For the safety of the child, an attempt will be made to contact the parent/guardian.

Excused absences will be given for the following reasons:

- Religious activities and/or religious holidays.
- Sickness, injury, or other medical condition.
- Family funeral.
- Legal reason (documentation must be provided).
- Extraordinary family circumstances (excused at the discretion of a principal).
- Pre-approved absences - absences from school which have been approved by a building principal prior to the occurrence.

An unexcused absence is not covered by the aforementioned definition. Examples of an unexcused absence may include, but may not be limited to:

- Repetitive or chronic absence or tardiness due to illness or injury not documented by a doctor or other medical professional.
- Truancy.
- Family vacations (unless prior approval has been granted).
- Undocumented absences.
- Non-emergency family situations.

If a child has...

Five (5) or more consecutive days absent, parents must obtain a doctor’s note and submit it to the school.

Seven (7) absences (excused or unexcused) in a semester, a letter of warning will be issued to parents reminding them of the school’s attendance policy.

Nine (9) absences (excused or unexcused) in a semester, a meeting will be held with the parents, building principals, and School Resource Officer to discuss the attendance policy and develop a proactive attendance plan.

Any additional absence, after the ninth absence in a semester, will only be excused with a note from a doctor, dentist, funeral program of an immediate family member, religious holiday, or documentation for a legal reason. Students must turn in documentation within two (2) days after an absence. Documentation brought in after two (2) days will not be accepted and absence will be counted as unexcused.

If attendance does not improve, agencies including the Kansas Department of Children and Families and Douglas County Attorney may be contacted. Ultimately, retention may be considered if the student, due to poor attendance, is unable to meet academic expectations.

Truancy Policy: (Kansas Compulsory/Attendance Law and Reportable to SRS)

In compliance with, and taken partly from KSA Supp 38-802 (1973, HB 1502) Juvenile Code and Supp 72-1113, and KSA 72-1113 (1973, SB 26) a child is required by law to attend school.

If a child is inexcusably absent, they may become truant, and truancy reports will be made by a building principal or other designated individual. A truancy report will be filed when a student has:

- 3 Consecutive Unexcused Absences; or
- 5 Unexcused absences in a Semester; or
- 7 Unexcused absences in a School Year.

TARDIES:

- Students are to check into the office when arriving to school at or after 8:05 am
- Tardy is defined as a student not in their seat at 8:05 am
- Tardies are excused for medical appointments, illness, or any other justified request approved by an administrator
- A parent phone call to inform the office of a tardy situation alone does not excuse the tardy, unless it meets the above criteria
- Consequences for tardies during a Quarter Grading Period
 - 3 unexcused tardies = Informative Letter to Parents sent by mail
 - 4 unexcused tardies = Letter to Parents sent by mail and a 30 min. Detention
 - 5 or more unexcused tardies = A 30 min. Detention and a Detention for every additional tardy until the end of the quarter
- 10 unexcused tardies in a semester will result in a DCF report being filed and a meeting with parents and school office staff

BUS INFORMATION Bus Rules- Don't Lose Your Riding Privilege - Follow These Rules

- **Observe the same conduct as in the classroom.**
- Glass containers of any kind and helium balloons are not permitted on the bus.
- The use and/or possession of cigarettes, chewing tobacco, controlled substances, illegal drugs, weapons, flame producing devices, lasers, stun guns, mace, pepper spray, laser pointers or alcohol is strictly prohibited.
- Remain seated and facing forward at all times while the bus is in motion.
- Do not extend your head, hands, arms, or other objects out of the bus. Do not throw items of any kind inside the bus or out of the windows.
- When crossing the roadway at a bus stop, be sure to cross ten (10) feet in front of the bus and wait for the driver to signal you across.
- Occasional riders must have written permission from their parent(s) or guardian to be transported by bus to a friend's house. A regular rider must have written permission to get off the bus at a location other than the rider's destination.
- Cooperate with the driver at all times. He/She is authorized to assign seats when necessary.
- Under no circumstance should a student chase a ball or loose school papers near or underneath a bus. Tell the driver if an item has gotten away; he/she will assist in a safe retrieval, if possible.

- Snakes, mice, lizards, and other such animals likely to cause a disturbance or commotion are not allowed.
- Toys that resemble real guns and other weapons shall not be brought onto the bus.
- In instances where small children are delivered to their home by bus only to find no responsible persons are there to receive the child, the bus driver is instructed to bring the child back to the transportation center or the appropriate school and await contact by parent(s) or guardian(s). An exception to this rule is possible if the parent(s) or guardian(s) submit a request to the transportation director in writing, stating that the child should be discharged at home whether an adult is present or not.
- Non-regular route students ride the buses at the option of the school district's administration. An advance written request must be submitted to the Transportation Director before permission is granted.
- After three consecutive "no-shows" without proper notification of the director or driver, the bus riding student will be dropped from the route until such time that the parent contacts the Transportation Department to request that the bus services resume.

BUS EXPECTATIONS AND GUIDELINES FOR PROBLEMS

- Initially, drivers should warn individual riders about misconduct. If a discussion can be held privately, this is preferred.
- If a driver has been unable to change the conduct of the misbehaving student, the student should be informed that an Incident Report is being submitted to the **Transportation Director 542-4900**.
- The Transportation Director will make every effort to meet with the student and the appropriate administrator to discuss the misconduct and consequences of future misconduct. A copy of the misconduct notice will be forwarded to the parents or guardian of the student.
- A second misconduct notice will result in the suspension of bus service for three school days.
- A third misconduct notice will result in the suspension of bus service for five school days.
- If a fourth Incident Report is submitted by a driver, the student will be suspended for the remainder of the semester, or at least thirty days if the occurrence is near the end of the first semester. Parents will be offered an opportunity for a hearing with the Superintendent, Administrator, Transportation Director, and bus driver.
- In all instances above, the Incident Report shall be signed by the student's parent or guardian and returned to the driver before transportation will be resumed.
- Severe misconduct, as determined by the Transportation Director, may be grounds for immediate suspension of bus service, without regard to the number of previous notices.
- Students who receive bus misconduct notices will not be eligible to participate in assertive discipline award programs.

WALKING TO AND FROM SCHOOL

Parents/guardians are responsible for seeing that their children have a safe route to and from school.

- No students should walk along 10th street.
- Students will not be allowed to walk through the bus lanes.
- Any conflicts (fighting, abusive language, harassing, excessive teasing, etc.) between students occurring on EES grounds before or after school that interferes with being able to go to or from school safely, should be reported to an administrator immediately.
- If a complaint against another student is going to be made, the student that was harassed, hit, or otherwise abused must make it.
- An administrator will then meet with the students involved to gather the facts and make a determination as to the appropriate consequences.
- Conflicts occurring off school grounds should be reported to the police department.

We ask that EVERYONE remember to use the crosswalk when crossing the street to the parking lot.

We encourage parents with more than one child at EES to arrange a single meeting place for the pick up of all children.

BICYCLE SAFETY

Students will be able to ride their bicycles to school using the safe routes provided. Bicycle entry can be made using:

- The East sidewalk off of Peach Street.
- The South sidewalk off of 12th Street.
- The West sidewalk off of Church & 12th Street. This is the new sidewalk construction project made possible by the receipt of a Sunflower Trails grant in partnership with the City of Eudora.

Due to safety concerns, students must **NOT** ride their bicycles to school along 10th Street.

All bicycles must be parked at the back of EES in the provided bicycle racks. Bicycles must remain parked during school hours. USD#491 and EES are not responsible for lost or stolen bicycles.

DRESS CODE

Neatness, decency, and good taste are guidelines of the district dress code. Students must dress in a manner that is not obscene; offensive; or substantially or materially disruptive to the learning environment. Apparel that is sexually suggestive; promotes violence, illegal activities, drugs, alcohol, and/or tobacco-vape products; or is determined to be gang related is prohibited. Student apparel and grooming must also meet requirements of any courses which are part of the approved curriculum in which they are enrolled.

The administration, faculty, and staff of EES reserve the right to enforce reasonable dress guidelines to ensure a safe and orderly educational environment. Guidelines cannot take into account every possibility, so the cooperation of students and parents is requested and appreciated. Students should consider the following guidelines with respect to attire:

- Full head coverings are not to be worn in the building from 8:00 AM until school ends.
- Clothing with references to alcohol, drugs, or gangs is prohibited.
- Clothing with offensive language or symbols is prohibited.
- Clothing which promotes or conveys hate messages is prohibited.
- Clothing that may endanger the student or others, including visible chains and spikes, are prohibited.
- Clothing that is distracting so that it interferes with the teaching and learning process are prohibited.
- Flip flops are not to be worn.
- Clothing that does not properly cover the human form is not appropriate for the school environment and includes:

Students wearing inappropriate clothing shall be sent to the office. If the inappropriate attire can be substituted with a T-shirt and/or sweat pants, the office will provide the student with such clothing in exchange for the inappropriate attire. The student will receive his/her own attire back with the return of the substituted clothing. Each apparel offense after the first incident will result in a detention and points from the behavior code. Any clothing or jewelry that disrupts or impedes the educational environment will be addressed on an individual basis.

In the interest of maintaining a safe environment, as well as promoting conduct which does not substantially disrupt, impede or interfere with the operation of the school, any articles of clothing, jewelry or other body ornaments which are perceived as gang-related attire by the school administration, shall not be worn at school or at school activities. Gang related graffiti, writing, and symbols are not tolerated.

EMERGENCY/CRISIS INFORMATION

STUDENT RELEASE IN TIME OF CRISIS

If the district has activated its crisis plan and enacts the Student Safety and Release procedure, parents will receive a message through the automated calling system (Blackboard Connect). This message will include information about where and when students may be picked up and other critical details. Regardless of the circumstances, students will be released only to parent/guardian or a previously identified emergency contact person; all adults will be required to provide a driver's license or other form of photo ID.

EMERGENCY INFORMATION

It is very important that the school office be given the name, address, and phone number of at least one person we could call if we cannot reach the parents. In case of injury or illness, children should not have to wait in the clinic because no one is available to pick them up.

EMERGENCY SCHOOL CLOSING AND SEVERE WEATHER EXPECTATIONS

During weather emergencies, parents and guardians of current USD 491 students will be contacted with the emergency phone broadcast service, Blackboard Connect, with announcements regarding buses and school closings.

Anyone may access information about school closings on the district website homepage (www.eudoraschools.org), as well as on the Eudora Schools Facebook page. Those enrolled in the news listserv will receive an email alert as soon as the decision is made. To sign up for the news listserv, enter your preferred email address in the box on the front page of the Website, and follow the instructions to complete your registration.

Decisions to call off school due to bad weather or to dismiss during the day because of bad weather will be made by the superintendent of schools. Every effort will be made to notify parents in advance when this situation occurs.

FIRE, TORNADO, INTRUDER, ETC DRILLS

Drills are conducted frequently during the year to prepare students in case of an actual emergency. Children will practice all routes and routines in case of an actual event. Exit routes will be displayed in all rooms. In the event of severe weather requiring a "take cover" situation, all students will be housed in the EES Safe Room. Parents are strongly urged to wait until after the severe weather threat has passed before attempting to pick up children from school. Drill expectations are posted in each classroom.

BREAKFAST AND LUNCH INFORMATION

SCHOOL MEAL PROGRAM

A meal program that meets the USDA dietary requirements for your child will be made available. This means that lunch provides one-third of the daily nutritional requirements; breakfast provides one-fourth. All students participating in the school meal program will receive a student ID number. Meal account money can be used for breakfast, lunch, or for extra milk purchases. Applications for the free and reduced price meals are available in the school office.

- In Kindergarten, 1st & 2nd grades - a child may purchase one (1) extra milk.
- In grades 3rd-5th, a child may purchase up to two (2) extra milks.
- Food, straws, or milk cartons may not be taken from the lunchroom.

Meal charges are not allowed except in emergencies or by special request. A low balance email will be sent to the email provided, when your child's meal account has 2 meals or less remaining in their account. If no email is provided, a printed notice will be sent home with your child as a reminder that money must be put on the account. If no money is sent, students will need to bring a sack lunch from home. In the event personal EMERGENCIES arise, parents should contact the school and indicate the need for assistance with school meals for their child. Parents may view lunch account information by visiting fs.eudoraschools.org; please remember a \$2.00 convenience fee will apply. A La Cart purchases are never allowed to be charged to the account if the lunch account drops below \$0.00. A la cart items consist of extra milk, bottled water, or extra sides. Meal prices are available on the school's website as well as printed on the lunch menus.

As part of our teaching students about healthy food choices, we would appreciate parents who come to eat meals with their students to either eat a school lunch or to pack their own home-made lunch. We discourage parents from bringing in fast-food for lunch.

BREAKFAST EXPECTATIONS

- All students are to come into the cafeteria and have a seat at the tables without the cones. At 7:30 - breakfast eaters are sent to their discovery areas to put their backpacks away and come straight back to eat. At 7:30 - bells rings – **students not eating breakfast go to their discovery areas.**
- Cones (labeled 1-9) are placed at the table so kids know where to sit. We fill up table one first and work our way through to table nine.
- Students need to make sure they are getting straws and napkins as they exit the breakfast line and before sitting down.
- If the students forget anything they should raise their hands to ask.
- Students should not be waiting on friends in the hallway, in the breakfast line or saving seats for others.
- Students should not be running in the hallway to the cafeteria or in the cafeteria.

SECOND CHANCE BREAKFAST

We will continue with the Second Chance Breakfast. The research is very clear that students learn best when their stomachs are full. In addition to this, there are fewer behaviors when students are not hungry. However, we also realize that there are situations in which a student does not arrive at school in time for breakfast. Our hope is that with this program we will better equip our students to be academically and socially successful.

This Second Chance Breakfast will be made available in the pods starting at 8:15. This breakfast will consist of milk, juice or fresh fruit, and some sort of main item such as a granola bar. The cost will be the same as the regular breakfast.

HEALTH & MEDICAL INFORMATION

HEALTH

Kansas state law requires all students, up to 9 years of age, entering Kansas schools for the first time, to have a health assessment (school physical or checkup) prior to entering school. Health assessments contain health history provided by the parent/guardian and the results of a physical exam performed by a licensed physician or local Health Department. Health assessments must be recent (within 12 months of the enrollment date) and received no later than 90 days after notification of this policy. If physicals are not turned in to the school nurse within 90 days following notification, action may be taken to exclude the child from school. Yearly physical exams are encouraged.

USD #491 will offer only emergency first aid to students. If illness or injury is severe, the parents will be called. If we are unable to reach the parents, the emergency contact procedure indicated on the student's enrollment form would be followed. Hearing screenings are done every 3 years. Vision screenings are done annually through 2nd grade and then every two years. Dental screening, cleaning, & other dental services information will be provided to parents yearly. Dental hygiene is very important to growing teeth and yearly checkups are encouraged. Screenings will also be completed on high-risk students and any student, parents or teachers have a concern about. Parents will be notified of all referrals. If you do not want your student participating in vision, hearing, or dental screenings at school you must submit a written request to the school nurse at the start of the school year. If your student has a vision, hearing or dental evaluation completed by a physician or specialist, please have a copy sent to the school nurse so that information can be added to their health file.

IMMUNIZATIONS

Kansas State Law requires all students to have up-to-date immunization records prior to starting school in the fall. Parents will be notified by phone, mail, email, or text if their student's immunizations need to be updated prior to the beginning of the next school year. Students without up-to-date immunizations by September 30th of each year will be excluded until immunizations are up-to-date in the health office. Any boosters that are due after the school year has started will be due within 30 days after they expire or the student will be excluded from school until an up-to-date immunization record is received. Students new to the district must show proof of up-to-date immunization status prior to enrolling. Students transferring in from another state will be given 30 days to complete immunizations required in Kansas that were not required by the state in which they are transferring from. Students with medical or religious exemptions are to have the appropriate form signed YEARLY. Medical and religious documentation must be provided PRIOR to the students 1st day of school.

MEDICATIONS

It is desirable for medications to be administered in the home. However, it is recognized that some students are able to attend school regularly because of the effective use of medication in the treatment of chronic illness or disabilities. It is also recognized that in many short-term illnesses, medications may need to be continued after a student returns to school. It is the school's intent to cooperate with the parents and their physician in seeing that the student receives the correct medication and dosage at the proper time.

If a student must take medication more than three times a day or at a specific time of day, he/she is eligible to take the medication at school. These expectations are to protect the student and to eliminate unnecessary medication administrations at school. In order to promote the safety and well being of students, all prescription and non-prescription drugs must be kept in the nurse's office under lock and key. Before medication can be given or taken at school the following procedure must be followed: prescription medications must be in the original container and clearly labeled with the student's name and dosage information and the medication administration form/signed physician's order must be completed and signed by both the parent and the physician. If dosages or

times change a written notice from the physician is needed.

OVER THE COUNTER MEDICATIONS

Parents will be asked to provide all over the counter medication for their students. Permission for these medications must be on file yearly. This may be done during online enrollment or the form may be acquired from the school nurse. The health office will have a limited supply of Tylenol and cough drops available to the students for special circumstances. The medication dosage and instructions on the container need to be age appropriate for the student. Over the counter medications **must** be in the original bottle and clearly labeled with the student's name.

OTHER MEDICAL INFORMATION

- Any child who is unable to take part in normal school activity, such as Physical Education or recess, due to a health condition is required to bring a physician's note stating the condition, specific restrictions, and length of activity restriction.
- Dental hygiene is very important to growing teeth and yearly checkups are encouraged. A yearly screening will be done, please see above.
- Anytime a child displays signs and/or symptoms of a contagious disease, identification and diagnosis from a physician will be requested before the child may return to school. Some of these symptoms may include an unexplained rash, severe cough, or sore throat.
- **It is required that children who are sent home or kept home from school with a fever of 100.0 F or greater remain home 24 hours after their temperature has returned to normal. Persistent diarrhea &/or vomiting should also be resolved for 24 hours before sending your student back to school. This includes scheduled evening activities within that time frame.**
- Head Lice(not a communicable disease): Parents will be notified if Head Lice is found on their student at school. Students are allowed to return to school after treatment with an anti-parasitic shampoo or professional treatment.
- Students requiring epi-pens for severe allergic reactions will be required to supply their own. The school will not have stock epi-pens on hand. The school does not stock any prescription medication.
- In the event of a contagious or communicable disease, a note will be sent home as per KDHE guidelines.

SCHOOLWIDE POSITIVE BEHAVIOR SUPPORT (PBIS)

Positive Behavior Support is a systemic approach for implementing proactive schoolwide discipline and is an initiative of all schools in USD #491.

Essential elements include:

1. Building a culture within the school that will be a foundation for both social and academic success.
2. Focus on early identification and prevention of problem behavior
3. Direct teaching and modeling of appropriate social and behavioral skills to all students
4. Using a continuum of practices to promote positive behavior
5. Using data for decision making and problem solving to support social, emotional and behavioral growth.

What is a Minor?

- A disciplinary issue that is handled in the classroom (for example tardy, inappropriate language, disrespect)

What is a Major?

- A disciplinary issue that requires an office referral (for example fighting, cheating, bullying...)

SOAR cards and Class Dojo points will be a big deal to your child! Each day your child will keep track of his or her SOAR cards and minors as well as Class Dojo points. Seeing how their choices affect their day teaches your child the valuable skill of self-regulation - including how to "turn it around" if a poor choice is made. Very poor choices - such as hitting, bullying, or stealing - will be recorded as majors and communicated with families. Three or more minors in the same day is also considered a major.

SOAR cards/Class Dojo points, minors, and majors are a natural source of daily conversations with your child! Your interest and follow-up questions will help your child continue to learn how to regulate his or her choices and behavior at school and in life!

When your child gets a SOAR card or Class Dojo point...

Ask what your child was doing when he or she SOAR'ed or when something was marked within Class Dojo. Then follow up with any of these types of responses:

- I'm so proud of you!
- What a great choice you made!
- It sounds like you were setting a good example.
- Wow, it sounds like you were very helpful.
- That shows you were really working hard/paying attention/doing your best.

When your child gets a minor or major...

It's a great chance to reflect and learn! Calmly ask what your child was doing when he or she got a minor or major. Then help guide your child's learning by following up with these types of responses:

- Hmm...that doesn't really sound like the (kind/helpful/cooperative/respectful/etc.) kid I know you are.
- Was something bothering you (angry/frustrated/bored/tired/hungry/nervous/etc.) when you made that choice?
- What could you do differently next time?
- Always remember that you can turn your day around, no matter what - look for ways to SOAR with good choices.
- Tomorrow will be a better day!

STUDENT AMBASSADOR PROGRAM

Students in fourth and fifth grade have the ability to apply for our Student Ambassador Program. Students in this program act as the liaison between teachers and teachers. This group represents our student population and helps determine our areas of focus and direction to prepare and support our students within the PBIS Program. Within this leadership role, they are given the opportunity to express their voice and lead our school to continued growth and success both academically and behaviorally.

GUIDE TO GOOD CONDUCT

A school is known by the quality of the people involved with its students, faculty, administration, supportive staff, and board of education. A good measure of this quality lies in the goals set by and for the school by members of these groups. Likewise, a good measure of an individual lies in the personal goals of achievement and conduct that will compile a school record needed for future education or employment.

During the 2021-2022 school year, Eudora Schools will be committed to developing high quality, fair and clear principles for our community of learners based on Social, Emotional and Character Development (SECD) principles that are created by students, staff, families and stakeholders. A strong connection exists between Social, Emotional and Character Development (SECD), school behavior, and academic performance. Social and emotional factors relative to student success promote a healthy school. Social, Emotional and Character Development (SECD) provides a foundation for our community of learners, which positively impacts student's feelings of connectedness, and creates a sense of autonomy about their schooling and other aspects of their lives. These principles will be expected to be modeled by all staff and taught to all our students. Students will gain a sense of competence that encompasses academic, emotional and physical safety for each child to succeed and be college and career ready.

JURISDICTION OF SCHOOL OFFICIALS

School officials may discipline students for misconduct as defined in this Code of Conduct, which occurs in and around school property, libraries or activities or using school provided equipment.

While misconduct, which occurs outside the school environment, is generally addressed by local law enforcement, school officials may discipline students for such conduct when the conduct impacts the school environment, educational objectives and the greater interests of the school district. Accordingly, school officials may discipline students for conduct occurring:

- While on or about school premises;
- While on school buses to and from school, on school-sponsored field trips, and while attending or participating in extracurricular activities;
- While engaged in school related activities on or off premises;
- While on school property, but during non-school hours; and/or
- While off school premises if the misconduct is directed toward school personnel;
- When the misconduct is facilitated by school district provided technology and/or other devices

SEARCH AND SEIZURE ON SCHOOL PREMISES

Purpose and Objective

To maintain order and discipline in the schools, school officials are empowered to conduct searches of student and school property. Accordingly, students who bring contraband on to school property or to school-related activities may be searched in order to secure the school environment so learning can take place, and to protect students, staff and visitors from any potentially harmful effects stemming from the contraband. The Administration may utilize reasonable suspicion searches, metal detectors and canines as necessary to carry out and further the objectives of this policy. A student's failure to submit to searches and seizures as provided in this policy will be considered grounds for disciplinary action up to and including expulsion.

FORMS of SCHOOL DISCIPLINE

Administrative and teaching personnel may take actions regarding student behavior which are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include, but need not be limited to, counseling of students, parent conferences, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. The actions given by building administration may also include in-school suspensions during the day. When in-school suspensions, after-school assignments, or other disciplinary measures are assigned, the student is responsible for complying with such disciplinary measures; a failure to serve such assigned discipline as directed will serve as grounds for further discipline, up to expulsion from school. District administrators may develop building-specific protocols for the imposition of student discipline.

In this section, references to "Principal" shall include building principals, the principal's designee, or other appropriate school district administrators.

Any statement, notice, recommendation, determination, or similar action specified in this section shall be effectively given at the time written evidence thereof is delivered personally to or upon receipt of certified or registered mail or upon actual knowledge by a student or his or her parent or guardian.

Any student who is suspended out of school or expelled from school pursuant to this section may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be determined on a case-by-case basis by the principal of the building to which the student is reassigned.

BULLYING

Acts of bullying or retaliation, which include cyberbullying, are prohibited:

- on school grounds and property immediately adjacent to school grounds, at a school-sponsored or school-related activity, function, or program whether on or off school grounds, at a school bus stop, on a school bus or other vehicle owned, leased, or used by a school district or school; or through the use of technology or an electronic device owned, leased, or used by a school district or school, and
- at a location, activity, function, or program that is not school-related through the use of technology or an electronic device that is not owned, leased, or used by a school district or school, if the acts create a hostile environment at school for the target or witnesses, infringe on their rights at school, or materially and substantially disrupt the education process or the orderly operation of a school.

BULLYING is the persistent use over time by one or more students of a written, verbal, or electronic expression or a physical act or gesture or any combination thereof, targeted at a student that:

- causes physical or emotional harm to the student or damage to the student's property;
- places the student in reasonable fear of harm to himself or herself or of damage to his or her property;
- creates a hostile environment at school for the student
- infringes on the rights of the student at school; or
- materially and substantially disrupts the education process or the orderly operation of a school.

Certain forms of bullying may involve criminal acts, which should be promptly reported to local law enforcement.

CYBERBULLYING is bullying through the use of technology or any electronic devices, such as telephones, cell phones, computers, and the Internet. It includes, but is not limited to, e-mail, instant messages, text messages, blogs, mobile phones, pagers, online

games and websites.

RETALIATION is any form of intimidation, reprisal, or harassment directed against a student who reports bullying, provides information during an investigation of bullying, or witnesses or has reliable information about bullying.

REPORTING

A student who believes he or she has been bullied should report it to school officials without delay. Forms for the reporting of bullying shall be available in each school office, or on the school district website. Reported incidents will be investigated by school personnel according to district guidelines and the Bullying Assessment Flow Chart.

It takes all of us working together to respond to bullying

Learn more and find support at www.thebridgeeudora.org

Here's what parents can do:

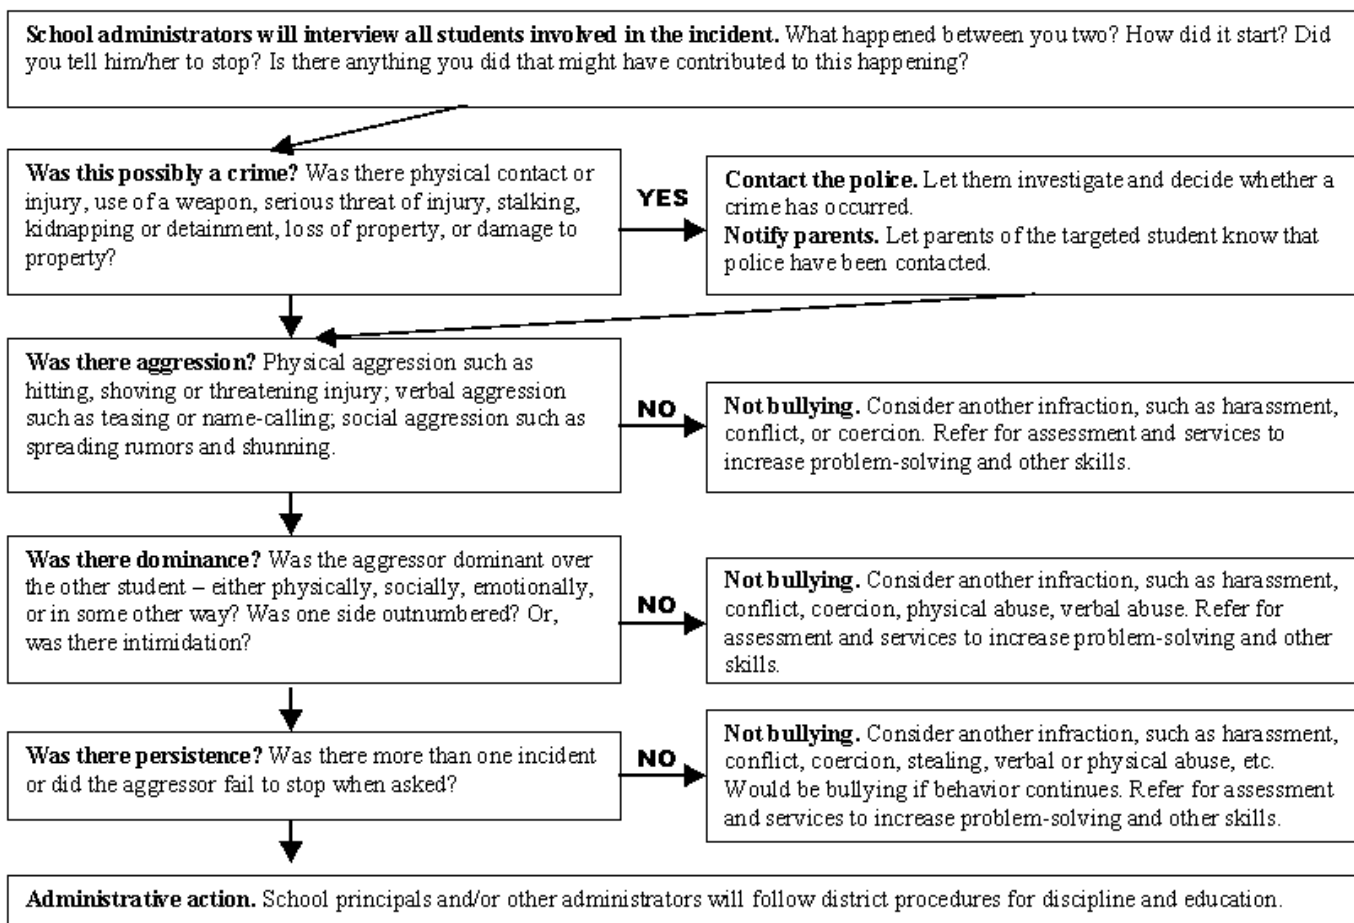

1. If you suspect your child is bullying, appropriate consequences are important. Monitor their behavior and seek additional services to help your child build appropriate self-awareness and social skills. *We can help.*
2. If your child is being bullied, prompt reporting is critical. You also can consider seeking additional services to help your child build useful skills and feel empowered. *We can help.*
3. If your child witnesses bullying, talk about the power of standing up for others by being an up-stander, rather than just a bystander. Stress the importance of reporting bullying to a trusted adult.

Here's what students can do:

1. If you are bullying, that's not okay. Students who bully will receive consequences and be monitored. You can learn better skills so that your needs are met and you can be a true leader.
2. If you feel you're being bullied, tell the bully to stop and then walk away from the situation. Let an adult know right away – it's not okay to suffer in silence. *We want to listen and help you build confidence and learn skills that can make you feel more in control at school.*
3. If you witness bullying, tell the bully that what they're doing is not cool. Stand up for others – be an up-stander, not a bystander. Report what you see to an adult. *We'll all work together to make a difference.*

Here's what we'll do at school:

1. Any school staff member will respond immediately when witnessing aggression or bullying. They'll let the aggressor know it's unacceptable and refer the aggressor for discipline and services.
2. A staff member will respond immediately to the student being bullied, referring that student for services to help build skills and reduce feelings of isolation.
3. As part of the monitoring and follow-up process, a staff member will ask witnesses to report if bullying occurs again.
4. Below is a copy of the flow chart that school administrators follow when a bullying incident is reported.

July 2012

IN SCHOOL SUSPENSION/OUT OF SCHOOL SUSPENSION (ISS/OSS)

ISS will be used as a disciplinary measure for behavior issues. In ISS students are isolated in a designated area to allow time to complete work and reflect on their actions. In addition, students receiving ISS will not be allowed to participate in any extracurricular activities during their suspension.

OSS will be used as a disciplinary measure for behavior issues. The length of OSS will be determined by offense. In addition, students receiving OSS will not be allowed to participate in any extracurricular activities during their suspension.

DETENTION EXPECTATIONS

In the event your child must serve a detention, every effort will be made to let you know in advance. **If transportation is impossible on that day, you will be given 24 hours to make the necessary arrangements, and the child will stay after school the next day.**

Detention is from 3:15 p.m. to 3:45 p.m. It is your responsibility to let your child know how they are to get home after detention. No detention will be served if school is dismissed before 3:15 p.m. Students will not be allowed to participate in any school-sponsored extracurricular activities following a detention (Cardinal Marathon Club, Science Club, ASA, etc.).

TOBACCO/WEAPONS

TOBACCO PRODUCTS AND SMOKING RELATED ITEMS

Tobacco products, including vaping, electronic cigarettes or other potential nicotine delivery methods, as well as any "smoking-related" items are not to be brought by students to EES. This includes matches, lighters, holders, containers, etc. that relate to the act of smoking. If any of these items are found, they will be taken from the student and returned, upon request only, to the student's parent/guardian. If a student uses tobacco or related items or brings "related" items to school a second time, a "1-Day ISS" will be given for the first offense and a 3-day, In-School Suspension (ISS) for repeated offenses. **IT IS AGAINST SCHOOL POLICY FOR ANY PERSON TO USE TOBACCO AND/OR ALCOHOL PRODUCTS AT ANY SCHOOL ACTIVITY OR ON SCHOOL PROPERTY.**

WEAPONS

A student shall not knowingly possess, handle or transmit any object that can reasonably be considered a weapon on the school grounds at a school activity, function or event. This policy shall include any weapon, any item being used as a weapon or destructive device, or any facsimile of a weapon.

ADDITIONAL CLASSES AND SPECIAL SERVICES AT EES

- **Physical Education** All students participate in physical education. To be excused from PE requires a note from your doctor. If your child has a temporary health problem which you feel might prove injurious if s(he) participates in certain activities, send a note to the physical education teacher or school nurse. If the P.E. teachers have any questions, they may then contact the parents. For safety reasons, tennis or athletic shoes are to be worn in gym classes. P.E. grades will be affected by failure to follow this rule. Wear clothes that you can be active in on P. E. days please. Skirts and dresses are discouraged. To ensure safety, sandals, flip-flops, crocs, jellies, etc. are not considered appropriate.
- **Technology** Eudora Elementary School recognizes the importance of technology. Students will utilize the computer lab several times a week. All students will have access to the Internet, using it for research, learning the keyboard, and taking Kansas Assessments.
- **Music** Every student gets to participate in music. Each grade level performs a concert once a year, in which students are required to participate. In class, we sing songs from around the world, learn about composers, play instruments, create our own music, and many other exciting things!
- **Library Media Center** The library media center services all Eudora Elementary students, staff, and parents. All classes attend scheduled library lessons as well as weekly checkout. Library materials are checked out for seven days. Students and guardians will receive notices of overdue materials. Parents/students are responsible for the replacement cost of lost or damaged items.

- **School Psychologist** A school psychologist is available to conduct initial evaluations and re-evaluations for special education. (S)he is also available to assist teachers and parents with strategies and interventions regarding the academic and social-emotional needs of students.

SPECIAL EDUCATION

Federal and state laws guarantee “a free and appropriate public education” to all children with disabilities, regardless of the severity. These laws apply to all children who have visual, auditory, health or physical impairments, speech and/or language disabilities, emotional and/or behavior disorders, students who require individual and/or small group instructional setting (IRR) and those who have an intellectual disability (ID). The law also requires that, “to the maximum extent appropriate, handicapped children...are educated with children who are not handicapped.” The East Central Kansas Cooperative in Education provides special education for students ages 3-21 with special needs in the Baldwin, Eudora, and Wellsville School Districts. The ECK Cooperative employs school psychologists, speech-language pathologists, occupational and physical therapists, school social workers, as well as a number of special education teachers trained to work with various exceptionalities. The Cooperative also serves children with high intellectual ability by providing enrichment and accelerated activities to augment the school’s curriculum. If you have questions or concerns

about your child's needs and live in the Baldwin, Eudora, or Wellsville School Districts, contact the East Central Kansas Cooperative in Education at 1-785-594-2737 or your school administrator.

NOTICE TO PARENTS OF STUDENTS WITH DISABILITIES

Students' files maintained by the East Central Kansas Cooperative in Education are considered to be confidential. Safeguards and expectations to govern access of pupil records to all parties have been established within the schools and the Cooperative office. These expectations are consistent with the intent of the Family Education Rights and Privacy Act (FERPA) as amended and the Individuals and Disabilities Education Act (IDEA). Special education files are maintained at the Cooperative office by the director of the Cooperative and in each of the schools of participating districts by building administrators. A list of the types and locations of educational records collected, used and maintained by the Cooperative as well as the officials responsible is available to parents or eligible students upon request.

Records shall be released without prior consent only to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is to school officials with legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the Cooperative discloses education records without consent to officials of another school district in which a student intends or seeks to enroll.

Under regulations of IDEA, parents or eligible students have the right to: a) inspect and review the student's record; b) request an amendment of the student's education records; c) refuse to consent to disclosure of personally identifiable information, except to the extent that federal laws authorized the Kansas State Board of Education or the U.S. Department of Education concerning alleged failures to comply with state and federal confidentiality requirements; and d) obtain a copy of the Cooperative's confidentiality policies and expectations. Policies are in English but may be translated if needed. Contact the Cooperative Office at 785-594-2737 for further information.

CONSOLIDATED ASSISTANCE PROGRAM (CAP)

Title 1 (CAP) Parent Involvement Policy

- USD 491 conducts a reading and math improvement program for its elementary students. It is known as the Consolidated Assistance Program (CAP). Strong emphasis is placed on maintaining contact and encouraging support from the parents of students involved in the program.
- Test scores, State assessments, grades, teacher recommendations and parent consent are included in the selection process of each CAP student.
- Parents will be provided with materials periodically throughout the year, which will give them ideas for doing things with their child at home. This may include a newsletter, brochures, and articles, "how to" sheets, recommended book lists and websites.

The school will provide opportunities for and will actively solicit suggestions from parents for improvements to the CAP program. This will be done at the parent conferences, at open house events and through surveys.

TITLE 1 COMPLAINT PROCEDURE BY U.S.D. 491 (CAP)

When individual parents, a community group, or members of the general public suspect that U.S.D. 491 or School may be violating the Title 1 law and/or regulations, they have a right to file a complaint with the school district.

Since a complaint implies a lack of cooperation between the school district and the person or group with the grievance, it is advisable to first consult with the local school administrators about the alleged violation.

Only when this course of action fails to produce results, should a formal complaint be filed with U.S.D. 491.

Complaints against Title 1 programs and expenditures may be received at local, state, and national levels. For the effective conduct of the program as well as to promote community understanding and involvement, complaints will be handled in an expeditious and reasonable manner.

Complaints will be translated into constructive suggestions and recommendations for improvement of Title 1 programs. The following expectations are outlined for use at U.S.D. 491 for Title 1, Public Law 97-35.

Title 1 Complaints Received by U.S.D. 491 (CAP)

- A written record containing information pertinent to both the source and nature of the complaint will be required.
- Within fifteen (15) days following receipt of complaint, a hearing concerning the complaint shall be held by a hearing committee. Recommendations of the committee shall address answering the complaint. The committee shall be appointed by the superintendent of U.S.D. 491. No less than two (2) persons shall be assigned to the committee, one being the Title 1 Coordinator, one being a parent, and the others at the direction of the superintendent.
- Minutes of a complaint hearing shall be taken and maintained at the office of the Superintendent of U.S.D. 491. A copy of such minutes, along with the committee recommendations and administrative action, shall be filed with the Kansas State/Federal Programs Administration Section.
- If a complaint is not resolved to the mutual consent of both parties, then either party can appeal through the state level expectations.
- The issue will then be resolved according to the complaint expectations established at the state level.

It shall be a violation of this policy for any student, employee, or third party (visitor, vendor, etc.) to sexually harass any student, employee, or other individual associated with the school. It shall further be a violation for any employee to discourage a student from filing a complaint, or to fail to investigate or refer for investigation, any complaint lodged under the provisions of this policy.

- Using physical restraint that impacts a student’s primary mode of communication;

USE OF EMERGENCY SAFETY INTERVENTIONS

ESI shall be used only when a student presents a reasonable and immediate danger of physical harm to such student or others with the present ability to effect such physical harm. Less restrictive alternatives to ESI, such as positive behavior interventions support, shall be deemed inappropriate or ineffective under the circumstances by the school employee witnessing the student’s behavior prior to the use of any ESI. The use of ESI shall cease as soon as the immediate danger of physical harm ceases to exist. Violent action that is destructive of property may necessitate the use of an ESI. Use of an ESI for purposes of discipline, punishment, or for the convenience of a school employee shall not meet the standard of immediate danger of physical harm.

ESI RESTRICTIONS

A student shall not be subjected to ESI if the student is known to have a medical condition that could put the student in mental or physical danger as a result of ESI. The existence of such a medical condition must be indicated in a written statement from the student's licensed health care provider, a copy of which has been provided to the school and placed in the student's file. Such statements shall include an explanation of the student's diagnosis, a list of reasons why ESI would put the student in mental or physical danger, and any suggested alternatives to ESI. Notwithstanding, the provisions of this subsection, a student may be subjected to ESI, if not subjecting the student to ESI would result in significant physical harm to the student or others.

USE OF SECLUSION

- When a student is placed in seclusion, a school employee shall be able to hear and see the student at all times.
- All seclusion rooms equipped with a locking door shall be designed to ensure that the lock automatically disengages when the school employee viewing the student walks away from the seclusion room, or in case of emergency, such as fire or severe weather.
- A seclusion room shall be a safe place with proportional and similar characteristics as other rooms where students frequent. Such a room shall be free of any condition that could be a danger to the student, well-ventilated, and sufficiently lighted.

TRAINING

All staff members shall be trained regarding the use of positive behavioral intervention strategies, de-escalation techniques, and prevention techniques. Such training shall be consistent with nationally recognized training programs on ESI. The intensity of the training provided will depend upon the employee's position. Administrators, licensed staff members, and other staff deemed most likely to need to restrain a student will be provided more intense training than staff who do not work directly with students in the classroom. District and building administration shall make the determination of the intensity of training required by each position.

Each school building shall maintain written or electronic documentation regarding the training that was provided and a list of participants, which shall be made available for inspection by the state board of education upon request.

NOTIFICATION AND DOCUMENTATION

The principal or designee shall notify the parent the same day as an incident. The same-day notification requirement of this subsection shall be deemed satisfied if the school attempts at least two methods of contacting the parent. A parent may designate a preferred method of contact to receive the same-day notification. Also, a parent may agree, in writing, to receive only one same-day notification from the school for multiple incidents occurring on the same day.

Documentation of the ESI shall be completed and provided to the student's parents no later than the school day following the day of the incident. Such written documentation shall include:

- A. the events leading up to the incident;
- B. student behaviors that necessitated the ESI;
- C. steps taken to transition the student back to the educational setting;
- D. the date and time the incident occurred, the type of ESI used, the duration of the ESI, and the school personnel who used or supervised the ESI;
- E. space or an additional form for parents to provide feedback or comments to the school regarding the incident;
- F. a statement that invites and strongly encourages parents to schedule a meeting to discuss the incident and how to prevent future incidents; and
- G. mail and phone information for the parent to contact the school to schedule the ESI meeting. Schools may group incidents together when documenting the items in (A), (B) and (C) if the triggering issue necessitating the ESIs is the same.

The parent shall be provided the following information after the first and subsequent incident during each school year:

1. a copy of this policy which indicates when ESI can be used;
2. a flyer on the parent's rights;

3. information on the parent's right to file a complaint through the local dispute resolution process (which is set forth in this policy) and the complaint process of the state board of education; and
4. Information that will assist the parent in navigating the complaint process, including contact information for Families Together and the Disability Rights Center of Kansas.

Upon the first occurrence of an incident of ESI, the foregoing information shall be provided in printed form or, upon the parent's written request, by email. Upon the occurrence of a second of subsequent incidents, the parent shall be provided with a full and direct website address containing such information.

LAW ENFORCEMENT, SCHOOL RESOURCE, AND CAMPUS SECURITY OFFICERS

Campus police officers and school resource officers shall be exempt from the requirements of this policy when engaged in an activity that has a legitimate law enforcement purpose. School security officers shall not be exempt from the requirements of this policy.

If a school is aware that a law enforcement officer or school resource officer has used seclusion, physical restraint, or mechanical restraint on a student, the school shall notify the parent the same day using the parent's preferred method of contact. A school shall not be required to provide written documentation to a parent, as set forth above, regarding law enforcement use of an emergency safety intervention, or report to the state department of education any law enforcement use of an emergency safety intervention. For purposes of this subsection, mechanical restraint includes, but is not limited to, the use of handcuffs.

DOCUMENTATION OF ESI INCIDENTS

Except as specified above with regard to law enforcement or school resource officer use of emergency safety interventions, each building shall maintain documentation any time ESI is used with a student. Such documentation must include all of the following:

- Date and time of the ESI,
- Type of ESI,
- Length of time the ESI was used,
- School personnel who participated in or supervised the ESI,
- Whether the student had an individualized education program at the time of the incident,
- Whether the student has a section 504 plan at the time of the incident, and whether the student had a behavior intervention plan at the time of the incident.

All such documentation shall be provided to the building principal, who shall be responsible for providing copies of such documentation to the superintendent or the superintendent's designee on at least a biannual basis. At least once per school year, each building principal or designee shall review the documentation of ESI incidents with appropriate staff members to consider the appropriateness of the use of ESI in those instances.

REPORTING DATA

District administration shall report ESI data to the state department of education as required.

PARENT RIGHT TO MEETING ON ESI USE

After each incident, a parent may request a meeting with the school to discuss and debrief the incident. A parent may request such a meeting verbally, in writing, or by electronic means. A school shall hold a meeting requested under this subsection within 10 school days of the parent's request. The focus of any such meeting shall be to discuss proactive ways to prevent the need for emergency safety interventions and to reduce incidents in the future.

For a student with an IEP or a Section 504 plan, such student's IEP team or Section 504 team shall discuss the incident and consider the need to conduct a functional behavioral assessment, develop a behavior intervention plan, or amend the behavior intervention plan if already in existence.

For a student with a section 504 plan, such student's Section 504 plan team shall discuss and consider the need for a special education evaluation. For students who have an individualized education program and are placed in a private school by a parent, a meeting called under this subsection shall include the parent and the private school, who shall consider whether the parent should request an individualized education program team meeting. If the parent requests an individualized education program team meeting, the private school shall help facilitate such meeting.

For a student without an IEP or Section 504 plan, the school staff and the parent shall discuss the incident and consider the appropriateness of a referral for a special education evaluation, the need for a functional behavioral assessment, or the need for a behavior intervention plan. Any such meeting shall include the student's parent, a school administrator for the school the student attends, one of the student's teachers, a school employee involved in the incident, and any other school employees designated by the school administrator as appropriate for such meeting.

The student who is the subject of such meetings shall be invited to attend the meeting at the discretion of the parent. The time for calling such a meeting may be extended beyond the 10-day limit if the parent of the student is unable to attend within that time period. Nothing in this section shall be construed to prohibit the development and implementation of a functional behavior assessment or a behavior intervention plan for any student if such student would benefit from such measures.

LOCAL DISPUTE RESOLUTION PROCESS

If a parent believes that an emergency safety intervention has been used on the parent's child in violation of state law or board policy, the parent may file a complaint as specified below.

The board of education encourages parents to attempt to resolve issues relating to the use of ESI informally with the building principal and/or the superintendent before filing a formal complaint with the board. Once an informal complaint is received, the administrator handling such complaint shall investigate such matter, as deemed appropriate by the administrator. In the event that the complaint is resolved informally, the administrator must provide a written report of the informal resolution to the superintendent and the parents and retain a copy of the report at the school. The superintendent will share the informal resolution with the board of education and provide a copy to the state department of education.

If the issues are not resolved informally with the building principal and/or the superintendent, the parents may submit a formal written complaint to the board of education by providing a copy of the complaint to the clerk of the board and the superintendent within thirty (30) days after the parent is informed of the incident.

Upon receipt of a formal written complaint, the board president shall assign an investigator to review the complaint and report findings to the board as a whole. Such investigators may be a board member, a school administrator selected by the board, or a board attorney. Such investigators shall be informed of the obligation to maintain confidentiality of student records and shall report the findings of fact and recommend corrective action, if any, to the board in executive session.

Any such investigation must be completed within thirty (30) days of receipt of the formal written complaint by the board clerk and superintendent. On or before the 30th day after receipt of the written complaint, the board shall adopt written findings of fact and, if necessary, appropriate corrective action. A copy of the written findings of fact and any corrective action adopted by the board shall only be provided to the parents, the school, and the state board of education and shall be mailed to the parents and the state department within 30 days of the board's receipt of the formal complaint.

A parent may file a complaint under the state board of education administrative review process within thirty (30) days from the date a final decision is issued pursuant to the local dispute resolution process.

EES Suicide Prevention Plan

The EES suicide prevention, awareness, response, and recovery plans were created in accordance with the Jason Flatt Act. The provisions of this bill relevant to suicide awareness and prevention are:

- The board of education of each school district shall provide suicide awareness and prevention programming to ALL school staff and shall notify the parents or legal guardians of students enrolled in such school district that the training materials provided under such programming are available to such parents or legal guardians.
 - Such programming should include a minimum:
 - At least one hour of training each calendar year based on programs approved by the State Board of Education. Such training may be satisfied through independent self-review of suicide prevention training materials; and
 - A building crisis plan developed for each school building. Such plan shall include:
 - Steps for recognizing suicide ideation;
 - Appropriate methods of interventions; and
 - A crisis recovery plan

On or before January 1st, 2017, the State Board of Education shall adopt rules and regulations necessary to implement the provisions of this section.

INTRODUCTION

One of the most important components of suicide prevention is awareness. All staff within the Eudora schools play an important role in suicide prevention by recognizing students when they are experiencing emotional difficulties. Understanding signs, symptoms and behaviors that indicate emotional turmoil is a critical first step. Consultation with and referrals to district mental health staff (school counselor, school social worker, and school psychologist) are initial interventions in accessing support when concerns for emotional and mental well-being arise. District mental health staff can assist with school intervention services and/or assist students and families with referrals to outside agencies.
